Keep in mind that Lazy Daze guarantees you the price of the motorhome once ordered. All consequential items that are used in the construction of your motorhome will be preordered and warehoused by Lazy Daze. Any future changes made after your order generally involves considerable time and paperwork including the ordering or phasing out of the related component(s). Make sure that you have thoroughly reviewed and selected your option choices. **Any order change(s), if approved by Lazy Daze, will result in a \$50.00 processing charge along with the total cost of the additional equipment.**
